KLAS Ranks Santa Rosa Consulting in Top 5 of Services Firms Implementing Clinical Systems in a Supportive Role

Nashville, Tennessee – January 2, 2013 - Santa Rosa Consulting, Inc. Santa Rosa Consulting an industry leading national provider of management consulting and information technology services to the healthcare industry announced today they have been ranked by KLAS in the newly published report “2012 Best in KLAS Awards: Software & Services.”

Santa Rosa Consulting, founded just over three years ago, has been tracked for the first time this year by KLAS and has already appeared in two additional KLAS reports in 2012, “Navigating the Sea of Epic Consulting Firms” and “Rapid Growth of Meaningful Use Consulting: Why Providers Are Reaching Out.”

Santa Rosa Consulting was ranked in the year-end report published December 14th at #5 of 16 firms for the Clinical Implementation Supportive Market Segment, scoring a strong 88.9, citing its delivery of services implementing Epic, MEDITECH, and various other vendors.

“We are very pleased with our debut in the Best in KLAS Awards 2012 Report. The fact that these ratings are anonymously provided by our clients makes this recognition particularly gratifying as it is a direct result of the positive feedback our clients have provided about their experience with our teams” said Mark Scruggs, Service Line President of Santa Rosa Consulting. “Delivering the best and highest quality service to our clients to help them successfully achieve their goals is our number one commitment. This initial ranking recognizes the talent and professionalism our consultants provide our clients every day.”

About KLAS:

KLAS is a research firm on a global mission to improve healthcare delivery by enabling providers to be heard and to be counted. Working with thousands of healthcare executives and clinicians, KLAS gathers data on software, services, medical equipment, and infrastructure systems to deliver timely reports, trends, and statistical overviews. The research directly represents the provider voice and acts as a catalyst for improving vendor
