SANTA ROSA CONSULTING AGAIN NAMED AS ONE OF MODERN HEALTHCARE'S BEST PLACES TO WORK IN HEALTHCARE FOR 2013

Nashville, Tennessee - August 26, 2013 - **Santa Rosa Consulting** has been recognized for the second consecutive year as one of the **Best Places to Work in Healthcare** by the leading industry publication, Modern Healthcare. A national provider of strategic advisory and information technology consulting services to the healthcare industry, Santa Rosa earned the distinction of being in the top 100 Best Places to Work in Healthcare based on a comprehensive analysis covering company policies, leadership, and employee workplace satisfaction.

"We are humbled to receive this prestigious award two years running. Our objective to create the culture, infrastructure, and opportunities that are desired by top talent in the healthcare consulting and information technology field continues," said Richard Helppie, Chairman and Chief Executive Officer of Santa Rosa. "We owe this recognition to the hundreds of Santa Rosa Associates who do great work for our clients and live the Santa Rosa culture and values every day."

Modern Healthcare's Best Places to Work in Healthcare recognizes outstanding employers in the healthcare industry on a national level. Employers are ranked based on analysis of business practices and detailed employee surveys on core areas of Leadership and Training, Culture and Communications, Role Satisfaction, Working Environment, Relationship with Supervisor, Training and Development, Pay and Benefits and Overall Satisfaction.

Tom Watford, President and Chief Operating Officer, remarked, "We work hard to make Santa Rosa a great place for our Associates to grow professionally. We strive to support a culture where associates who are inspired, energized and ambitious thrive."

"At Santa Rosa, we are constantly reinventing ourselves. We have fun and break boundaries for the good," added Mark Scruggs, President of Santa Rosa Consulting. "Our associates work hard and they achieve results for our clients. They continue to be the ones *"making better healthcare possible™."*
