### **SANTA ROSA CONSULTING RANKED FOR THE 3<sup>RD</sup> CONSECUTIVE YEAR AS ONE OF MODERN HEALTHCARE'S *BEST PLACES TO WORK IN HEALTHCARE FOR 2014* - #23 IN THE SUPPLIER CATEGORY, #13 IN MEDIUM SIZED SUPPLIERS**

*Nashville, Tennessee - October 27<sup>th</sup> 2014* - **Santa Rosa Consulting** was recognized for the third consecutive year as one of the ***Best Places to Work in Healthcare*** by the leading industry publication, Modern Healthcare. A national provider of strategic advisory and information technology consulting services to the healthcare industry, Santa Rosa ranked #23 in the Supplier Category and #13 in the Medium Sized Suppliers Category. The distinction of being in the top 100 Best Places to Work in Healthcare is based on a comprehensive analysis covering company policies, leadership, and employee workplace satisfaction.

Modern Healthcare revealed the ranked order of the 100 Best Places to Work in Healthcare for 2014 on Oct. 23rd. New this year, Modern Healthcare presented two ranked lists—one for providers/insurers and one for suppliers. Each category is also broken down by companies based on the number of employees. A special supplement regarding the rankings will be published along with the Oct. 27th issue of Modern Healthcare.

Modern Healthcare's Best Places to Work in Healthcare recognizes outstanding employers in the healthcare industry on a national level. Employers are ranked based on analysis of business practices and detailed employee surveys on core areas of Leadership and Training, Culture and Communications, Role Satisfaction, Working Environment, Relationship with Supervisor, Training and Development, Pay and Benefits and Overall Satisfaction.

"We are honored to receive this prestigious award a third year in a row. We are especially pleased to have achieved high rankings." said Richard Helppie, chairman and chief executive officer of Santa Rosa. "We owe this recognition to the hundreds of Santa Rosa Associates who deliver great work for our clients and live the Santa Rosa culture and values every day."
