Santa Rosa Consulting, Inc. Completes Acquisition of InfoPartners, Inc.

Nashville, Tennessee—April 2, 2012- Santa Rosa Consulting, Inc. announced today that it has completed the acquisition of InfoPartners Inc., a leading provider of healthcare information systems management and information technology (IT) services for hospitals and health systems.

Santa Rosa's continued rapid growth and expansion is accelerated by the acquisition of InfoPartners. As healthcare providers face continued pressure to achieve maximum value from their IT investments, the combined capabilities of Santa Rosa Consulting and InfoPartners expertise will provide a valuable and complementary set of resources and skills to help them achieve their goals. The addition of InfoPartners augments Santa Rosa Consulting's ability to provide IT management, advisory and implementation services to its clients.

"We welcome InfoPartners and its employees to Santa Rosa Consulting and look forward to combining our capabilities to better serve our healthcare clients" said Rich Helppie, Chairman and CEO of Santa Rosa Consulting. "InfoPartners brings a long history of excellent service to the healthcare provider space and we are pleased to have them join the Santa Rosa team."

"We believe our skills and services complement one another and will allow us collectively to provide exceptional value to our clients" said Mark Lawrence, President of InfoPartners, Inc.

"Through this combination, we significantly strengthen our capabilities and offerings in the management services healthcare space as well as expand our overall client footprint in the market," said Tom Watford, COO of Santa Rosa Consulting. "Santa Rosa and InfoPartners share the commitment to building long-term client relationships, and to becoming the trusted advisors that our clients look to as they address the ever-changing IT demands and opportunities in healthcare. We are pleased to welcome InfoPartners to the Santa Rosa organization."
