

## **InfoPartners Selected as MEDITECH READY Implementation Partner by Decatur Morgan Hospital**

*InfoPartners is proud to be selected as their MEDITECH 6.1 READY Implementation Partner.*

Nashville, Tennessee ([PRWEB](#)) May 19, 2016 -- InfoPartners, a Santa Rosa Consulting company, is proud to be selected by Decatur Morgan Hospital as their MEDITECH 6.1 READY Implementation Partner. Decatur Morgan Hospital, part of the Huntsville Hospital Health System, is a community hospital serving Morgan County, Alabama. Decatur Morgan locations include two acute care facilities, a free standing behavioral health facility and a free standing Rehab/Wellness Center. Decatur Morgan Hospital will be migrating to MEDITECH 6.1 from MEDITECH 6.0.

“We chose InfoPartners as our MEDITECH READY implementation partner due to the excellent work their consulting team has delivered for us on prior implementations. InfoPartners was critical to our success during our MEDITECH 6.0 implementation and our follow-on CPOE project,” states Dinah Farmer, IS Director of Decatur Morgan Hospital. “We have achieved consistently valuable results by working with InfoPartners and look forward to more of the same. InfoPartners has always been adaptive and responsive to our needs and requests, we look forward to the enhanced MEDITECH 6.1 capabilities relative to Revenue Cycle, our Ambulatory system, and Business and Clinical Analytics.”

InfoPartners has proudly served the MEDITECH market for over 30 years. As a READY certified consulting firm, their team holds exceptional knowledge and “hands-on” experience with MEDITECH. Their experience includes delivering over eighty implementations across Magic, Client Server, 6.0 and 6.1 platforms, including thirty specific implementations for MEDITECH 6.0 and 6.1. While achieving successful outcomes in the MEDITECH community, InfoPartners provides a variety of services, including system implementations, upgrades, and services tailored to optimize MEDITECH.

“We’re pleased to have the opportunity to partner with Decatur Morgan,” states Mark Scruggs, InfoPartners’ President. “Decatur Morgan’s commitment to MEDITECH and the READY build model in combination with our consulting team supports the journey toward delivering better care to their patients.”
