Santa Rosa Consulting Receives High Rankings from KLAS in Go-Live Support and Epic Implementation and Staffing: # 2 for Go-Live and # 7 for Epic Implementation and Staffing

Nashville, Tennessee - October 2014 - Santa Rosa Consulting an industry leading national provider of management consulting and information technology services to the healthcare industry announced they have received top rankings by KLAS Research in the recently published report "Epic Consulting 2014 - The Bumper Crop of Epic Consulting Firms: How Do They Stack Up?."

Santa Rosa Consulting ranked #2 overall in Go-Live Support with a rating of 92.1 maintaining a position in the Top 5 Go-Live Support Firms for two consecutive years. As reported by KLAS in the Epic Consulting 2014 report "*Santa Rosa Consulting stands out for the quality of their consultants with hospital experience, as well as for their sharing of best practices and creativity with pricing.*"

Santa Rosa Consulting was also ranked #7 overall in Epic Implementation Support and Staffing with a rating of 88.5. There was only a 3.7 point difference between the top ten firms. As reported by KLAS in the Epic Consulting 2014 report, "*Providers enjoy the fact that Santa Rosa shares best practices.*" As stated by a provider in the same report, "*The Santa Rosa team was talented, calm, proficient, experienced, and positive. They helped us keep the implementation on an upward trend and handled problems before those became meltdowns.*"

"We are pleased with our rankings in the KLAS Epic Consulting 2014 Report and will continue to strive for further value for our clients. The fact that these ratings are anonymously provided by our clients makes this recognition particularly gratifying. It is a direct result of the positive feedback our clients have provided about their experience with our teams," said Dan L. Dodson, senior vice president of Santa Rosa Consulting. "We believe this recent ranking continues to recognize the talent and professionalism our associates provide our clients every day. We remain committed and focused on driving results for our clients by delivering highest quality service."

“At Santa Rosa we are continually focused on doing the right thing for our associates and our clients. This is reflected in our 2014 ranking as one of the Top 100 Best Places to Work by Modern Healthcare, a ranking we’ve held for three consecutive years,” added Laura O’Toole, executive vice president and chief people officer of Santa Rosa Consulting. “Our commitment to our associates directly affects our clients’ experiences and levels of success. We believe this recognition by KLAS validates that by continuing to make a difference in our employees’ work experience we are able to positively impact our clients. Last year we were ranked on the Inc. 500 list and were ranked again this year on the Inc. 500/5000 list. The fact that we’ve been able to sustain high levels of revenue growth while building solid deliverables for our clients is a testament to our internal culture directly influenced by our core values.”

About KLAS:

KLAS is a research firm on a global mission to improve healthcare delivery by enabling providers to be heard and to be counted. Working with thousands of healthcare executives and clinicians, KLAS gathers data on software, services, medical equipment, and infrastructure systems to deliver timely reports, trends, and statistical overviews. The research directly represents the provider voice and acts as a catalyst for improving vendor performance. Founded in 1996, KLAS’ staff and advisory board members average 25 years of healthcare information technology experience.
