

Larry Ferguson Joins Santa Rosa Consulting, LLC Board of Managers

Santa Rosa Consulting, LLC announced the addition of Mr. Larry Ferguson to its Board of Managers. Mr. Ferguson joins Santa Rosa's Board with more than twenty-five years of leadership experience in information technology. He spent the majority of his career as President of First Data Health Systems Corporation and its predecessor companies, where he led its growth to one of the world's largest healthcare information technology companies at that time. He has also held sales and senior management positions with XEROX, Baxter International, and American Express. Mr. Ferguson most recently served as Chief Executive Officer of First Consulting Group and led the company through its sale to Computer Sciences Corporation.

Santa Rosa Board Chairman Richard Helppie said "we are very pleased that Larry Ferguson has accepted our invitation to join the Santa Rosa Board of Managers. Larry brings a wealth of healthcare industry experience and fine business acumen to our Board and we will benefit greatly from Larry's commitment. We look forward to working together in our mission to build Santa Rosa to a leadership position in our industry."
