SANTA ROSA CONSULTING ACHIEVES MEDITECH 6.X READY IMPLEMENTATION CERTIFICATION

Nashville, Tennessee — April 2014: MEDITECH continues to strengthen their 6.x READY Implementation methodology by naming Santa Rosa Consulting as a certified MEDITECH® 6.x READY consulting firm.

The MEDITECH READY implementation methodology for their 6.x platform is indicative of **R**apid adoption, **E**vidence based content, **A**dvanced workflows, and **D**edicated team approach all contributing to **Y**our success. Key differentiators of this unique methodology include pre-implementation planning, assisting with project governance, physician focus to increase adoption, the Clinical Leadership Preparedness Program, integrated module/core team training and build methodology, as well as forming synergy with the client and the consulting firm to achieve 100% adoption on day one of the implementation go-LIVE.

Santa Rosa and its sister company, InfoPartners, both certified consulting firms with expertise working with MEDITECH sites in the advanced clinical areas, provide in-depth MEDITECH systems knowledge and practical expertise gained from experience. Achieving successful outcomes in the MEDITECH community, they provide a variety of services, including system implementations and upgrades to custom programming, and services tailored to optimize clinical systems.

Rachel Hudspeth, vice president and Implementation Services practice leader, remarks, "With all the demands facing healthcare today, this is an extremely important time for health systems who are investing in MEDITECH as their core technology provider. We are excited and pleased to be an integral part of this new implementation methodology to help these facilities achieve their goals, all the while making healthcare better."

Says Santa Rosa's president, Mark Scruggs, "MEDITECH has been a great partner to Santa Rosa and InfoPartners for many years. We are proud to help their clients continue on their journey toward improved interoperability, and delivering better care to their patients."

MEDITECH 6.x Client Services Vice President Leah Farina adds, "We're excited to add to our list of certified READY consultants. These certified consultants will help lead our READY customers to a successful LIVE."

Santa Rosa and InfoPartners are proud to partner with Phoebe Putney Health System and

MEDITECH for their 6.1 READY Implementation.
