**For Immediate Release**

**SANTA ROSA CONSULTING ACHIEVES RECOGNITION FROM MODERN HEALTHCARE AS ONE OF THE TOP 100 BEST PLACES TO WORK AND FROM KLAS RESEARCH WITH THE HIGHEST RATING FOR GO-LIVE SUPPORT**

*Nashville, Tennessee August, 2015* - Santa Rosa Consulting is pleased to announce two recent recognitions by the leading industry organizations of Modern Healthcare and KLAS Research. Santa Rosa was recently announced, for the fourth consecutive year, as one of the *Best Places to Work in Healthcare* by Modern Healthcare. In the KLAS “2015 Midterm Performance Review: Software & Services”, Santa Rosa achieved the highest rating of 95.4 in Go-Live Support.

“We believe the recognitions from Modern Healthcare and KLAS are directly related to our company culture.” said Richard Helppie, chairman and chief executive officer of Santa Rosa. “We strive to deliver excellence for our clients, while also supporting our associates in an environment where they can thrive.”

“At Santa Rosa, we have cultivated a culture and maintained an infrastructure we recognize is desired by top talent in the health IT consulting industry.” added Laura O’Toole, executive vice president and chief people officer of Santa Rosa. “This fourth year of recognition from Modern Healthcare, based on the feedback from our associates, validates that we are continuously making a positive impact in our associates’ work experience.”

Modern Healthcare’s Best Places to Work in Healthcare recognizes outstanding employers in the healthcare industry on a national level. Employers are ranked based on analysis of business practices and detailed employee survey on core areas of Leadership and Training, Culture and Communications, Role Satisfaction, Working Environment, Relationship with Supervisor, Training and Development, Pay and Benefits and Overall Satisfaction. Specific rankings of this year’s Top 100 will be revealed during Modern Healthcare’s awards gala in Nashville on October 14.

“The 2015 Midterm KLAS rating we achieved for Go-Live Support reflects a 6% positive trend year over year.” said Dan Dodson, senior vice president of Santa Rosa. “We have worked diligently to refine our best practices and have formed a strong team of associates who are able to effectively support our clients during the crucial time of go-live.

The 2015 Midterm Performance Review report provided a summary of the KLAS performance ratings gathered over the past 12 months for healthcare IT services firms in 21 market segments. All vendor performance scores were from the feedback of thousands of healthcare providers at physician offices, clinics, hospitals, and IDNs throughout the United States and Canada.
